2011 **School Leaving Certificate (Distinction)**
Sagarmatha Higher Secondary English Boarding School, Udayapur, Nepal

WORK EXPERIENCE

Oct 2024 – Present **Public Health Officer**

Department of Health Services, Ministry of Health, Government of Nepal

Jan 2026 – Present *Epidemiology and Disease Control Division, Dept. of Health Services, GoN*
Section: Epidemiology and Outbreak Management Section

- Took lead in preparing national level documents as Monitoring and Evaluation Framework for Epidemic Management, water quality surveillance reference packages, Monitoring and Evaluation Checklist for Health Insurance and assisted in other few documents.
- Support the drafting of national policies, strategies, standards, protocols, and guidelines related to epidemiology, outbreak/epidemic management, and health emergency preparedness.
- Coordinate and collaborate with federal, provincial, local, and multi-sectoral authorities for epidemiological management, disaster response, and implementation of annual work plans and federal programs.
- Monitor and supervise disease surveillance, outbreak preparedness, disaster management activities, and prevention/control programs at all levels, providing timely feedback to concerned authorities.
- Participated in Mass Drug Administration (MDA) coverage surveys in Rautahat District.
- Assisted in conducting multiple MDA coverage surveys, including field data collection, monitoring, and assessment of MDA coverage.
- Supported survey activities to assess program implementation and identify gaps in MDA coverage.
- Facilitator for five days Rapid Response Team (RRT) Training

Oct 2024 – Jan 2026 *Ministry of Health, Bagamati Province, GoN*

- Contributed to the formulation of various provincial health policies, strategies like provincial population policy, provincial health strategic framework, annual program guidelines, etc.; conducted monitoring, supervision, and evaluation of public health programme implementation across provincial and local levels.

- Coordinated multi-sectoral collaboration in key public health areas including immunisation, maternal and child health, adolescent health, communicable and non-communicable disease prevention, epidemic control, nutrition, and environmental health.
- Coordinated and evaluated health programmes implemented by national and international NGOs operating in the province; prepared evidence-based plans and ensured effective partnership management and reporting.
- Assist in tracking program indicators, developed reporting channel through Kobo Toolbox under MoH.
- Took lead in operating various management systems like GIOMS, HRRS, etc
- Documentation, reporting, annual budget plan, providing trainings, etc.

Nov 2023 – Feb 2024 **Monitoring and Evaluation Officer (Part-Time)**

Creative Solution for Health Pvt Ltd
Project: Baseline Study of Maternal and Newborn Health Status in Kalikot District

- Monitored survey and managed data.
- Listened to recorded interviews from household screening, recently delivered women (RDW) interviews, health facility assessments, and verbal autopsies and identified gaps/issues.
- Provided daily feedback to individual enumerators and supervisors on identified gaps/issues.
- Shared weekly findings and generated frequency tables of all listed variables; communicated gaps/issues to supervisors.
- Data cleaning and analysis in SPSS and other project-related tasks as assigned.

Sep – Nov 2023 **Internship**

Nepal CRS Company
Project: Momentum Private Healthcare Delivery (MPHD) Nepal

- Engaged in supporting M&E and Program team project interventions, participating in various field activities and project review meetings, and preparing event and monthly reports.

Jun – Jul 2023 **Public Health Consultant (Part-Time)**

Budhanilkantha Municipality, Kathmandu
Project: Health Contingency Plan for Budhanilkantha Municipality

- Developed contingency plan for Budhanilkantha Municipality; conducted meetings with different stakeholders.

Dec 2020 – Apr 2022 **Officer – Monitoring and Evaluation**

Karuna Foundation Nepal, Morang Office
Project: Disability Prevention and Rehabilitation Program (DPRP)

- Supported the program team to develop annual plans and made necessary plans in line with program activities.
- Led implementation of the Management Information System (MIS) in the municipalities.
- Coordinated and supported province and central team in baseline, mid-line, and end-line surveys; led data validation at the local level.
- Carried out field visits to review implementation of M&E standards and provided technical backstopping to make improvements.
- Ensured prompt reporting to central and province offices and utilisation of tools and templates to strengthen reporting and documentation.

Dec 2019 – Sep 2020 **Associate Officer – Program (Lead M&E)**

Karuna Foundation Nepal, Sunsari Office
Project: Scaling up WASH in Nepal – Integrated WASH and Health Intervention

– Planned, implemented, supervised, monitored, facilitated, and reported the Best Wishes Program, SRHR, Health and Nutrition, Gender and Livelihood related activities of the project.

Jun – Dec 2019 **Monitoring and Evaluation Officer**
Global Action Nepal, Lamjung Office
Project: Sister for Sisters' Education

– Collection, analysis, and validation of district data and providing feedback.
– Led technical support on M&E relevant to delivery of the program.
– Developed and implemented a monitoring plan; report writing and timely reporting.

May 2019 **Field Researcher**
Partnership for Social Development – Nepal
Project: End-line Survey on Maternal, Neonatal and Child Health in Jajarkot District

– Data collection and analysis of quantitative and qualitative data; primary and secondary data management process.

Apr – Aug 2018 **Internship**
Karuna Foundation Nepal
Project: Holistic Development Project in Rasuwa District

– Conducted workshops and trainings including inclusive education and peer-to-peer education training.
– Planning, implementation, and evaluation of projects.
– Assisted in field activities: follow-up of health post construction, menstrual health management, SRHR, early childhood development, and resource classes.
